Re: Technical Analysis in Support of Arizona's 8-Hour Ozone Area Designation
Recommendations

Dear Mr. Nastri:

On July 11, 2003, Governor Napolitano signed an 8-hour area designation recommendation for all areas of Arizona outside of Indian Country. That recommendation was transmitted to you on July 15, 2003. At the time of the submittal, it was noted that a detailed, supporting analysis would be provided under separate cover. Enclosed is the document, "Arizona Air Quality Designations, Boundary Recommendations for the 8-Hour Ozone National Ambient Air Quality Standard, July 21, 2003," and appendices.

I look forward to working with you to finalize area designations by April 15, 2004. If you have any questions, please call me at (602) 771-2203 or Nancy C. Wrona, Director, Air Quality Division, at (602) 771-2308.

Sincerely,

Stephen A. Owens
Director
